Good Friendship, Partnership & Teamwork

The CoverGirls e-Violin Showcasing Rock Style Songs

The CoverGirls Violin Show has created a high-energy choreographed musical revue of classic and current hits ranging from the Beatles to Beyonce.

The Bach Double and the Bach Double in Jazz

high-energy of choreographed footsteps

The depth of musical talent demonstrated by the principal performers is formidable. In addition to being classically trained, the CoverGirls are gifted vocalists and improvisers in the hip-hop, jazz, rock and latin idioms.

We play Michael Jackson, Pink Floyd, Led Zeppelin, Mick Jagger!

Viva Mexicana – Cello, Bass are the melody; with TA clapping.

Not everyone is Michael Jordan in an ensemble. Some have the supporting role. It is teamwork that counts.

The CoverGirls are some of the Chicago area's most versatile and accomplished pop and rock professional string artists.

Anny Moravec (middle) began her music studies on violin at age 3. At 19, she won the position of Principal Viola in Chicago Civic Orchestra. She is a substitute member of the Chicago Symphony and is a member of The CoverGirls Violin Show.

We had a great time!

Fresh, flirty and fun!
