20TH ANNUAL
CHAMBER MUSIC CAMP

August 1 – August 6, 2022

North Central College, Naperville, IL 60540

The study of chamber music in small ensembles of two to six players develops teamwork and draws on the individual strengths of each musician. As a result, students who have had such exposure and training are **inspired and strive for excellence while making new friends** through producing beautiful chamber music together.

OPUS Camp is FUN. Join our 2022 Flash Mob!

Program

Back by popular demand, OPUS has a new **Flash Mob Ensemble** and party scheduled for 2022 Camp. See the video on www.napopus.org/ Mission & Vision or <https://youtu.be/oMQrPjB7B9c> for a preview of this exciting collaboration of all campers and Teaching Assistants.

**We LOVE OPUS so much that
we come back every year to enjoy more.**

When we play music, whether strings, piano, or any instrument, or when we listen to music of various genres, we are seeking that comfortable feeling unique to ourselves.

OPUS aims at training to become **chamber music team players**, **responsible, energetic, enthusiastic, and focused on creating positive experiences for all.**

A 6-time Camper

A 1st-time Camper

OPUS focuses on Chamber Music. Ensembles of 3 to 6 players receive their chamber and orchestra music *weeks ahead* of the camp to begin practicing.

Since their individual parts are learned prior to the camp week, the campers spend the week working on ensemble development.

Chamber Music Ensemble - The Coaching, Rehearsal & Concert

Chamber music ensembles are coached not only by a primary coach but also by a **matrix** of additional collaborative coaches, which makes OPUS a unique camp. This is only possible because OPUS camp has a **faculty-rich, one faculty for three to four campers ratio**, ensuring that each chamber group receives professional and personal instruction by multiple distinguished chamber music coaches.
